With reference to your letter No.L.11171/ITB.12-55-48 dated 9-12-1955 in the matter of forming sites and offering them to the applicants in question etc., I write to state that the open space to the south of Vontikoppal village is a tank bed area and is very marshy, owing to the presence of back-waters of Kukkarahalli tank and thus the area cannot be exploited and formed into sites. There are sites in Jaya-lakshmipuram Extension in the adjacent area and Yadavagiri which will be offered to the residents of the village. They are to the West & North of the Village.

Yours faithfully,

S. Linganna
